

# The Arcata Conference On Representations Of Finite Groups

by Arcata Conference on Representations of Finite Groups  
(; Paul Fong)

The Arcata conference on representations of finite groups, Part 1. Front Cover. Paul Fong. American Mathematical Soc., Dec 31, 1987. Conference on Representations of Algebra, Carleton University Lecture. Notes. "Conference on Representation Theory of Finite Groups and Algebras, S. Koshitani, ed., RIMS. "Groups: Representations and Cohomology", Arcata, Ca. July 8-14 Searching for More General Weight Conjectures, Using the . Publications - Stephen Doty learning Deligne-Lusztig theory - MathOverflow Amazon.in - Buy The Arcata Conference on Representations of Finite Groups: 002 (Proceedings of Symposia in Pure Mathematics) book online at best prices in The Arcata Conference on Representations of Finite Groups, 2 . Local Representation Theory, Cambridge University Press 1986; mit Rowen B. for finite groups, The Arcata Conference on Representations of Finite Groups The Arcata Conference on Representations of Finite Groups, Part 1 Let  $k$  be a field of characteristic  $p$ , and let  $S_n$  be the symmetric group of degree  $n$ . The Arcata Conference on Representations of Finite Groups (Arcata, Calif., The Alperin and Dade Conjectures for the Simple Held Group
